Monday 22nd February 2021 - Teacher Training Day (Parent mail communication 12/2/21)

Please note this day is Teacher Training Day and whilst the learning packs delivered for this week have included school work for this day you may wish to give your child an additional day's break. If you do choose to do this we suggest you complete the first four days of the plan as opposed to missing day one. Staff are preparing packs for the following weeks as we are unsure of any details which will be released on Monday 22nd February by the Government.

Packs for weeks from 1st March will also include a 'No Screen Day' option which is aimed at supporting both children and their families wellbeing. Obviously we are all hoping the children will be returning as soon as possible but we have always aimed to be as prepared as possible for all eventualities.

Finally, once again many thanks for your support. Please keep safe and enjoy the well deserved break!

Take care

Mr Parnaby
